Project Title: Fundamentals of Infection Prevention for Long Term Care Facilities in New Mexico

Unique Identifier: NM-1119-ICCNM-484

Project Duration: 01/01/2020-11/30/2020

Total Amount of CMP Funds Approved for this Project: \$120,035.00

Total Amount of CMP Funds Expended During CY 2020 for this Project: \$120,035.00

Project Summary: The Fundamentals in Infection Control for LTC training was presented as a live webinar series held over three consecutive days in October 13, 14, 15, 2020. The live webinar allowed participants to ask questions in real-time and participate in discussions. The use of polling and chat features within the webinar platform also supported group interactions. There was a total of 52 people completed the training with the number of people registered was 69. Overall attendance was lower than originally anticipated, there were numerous cancellations, and the management of COVID-19 outbreaks by facilities may have contributed.

Funded Entity(ies): Infection Control Consultants of New Mexico, LLC
