Subject: Mi Via Survey

Good afternoon, Mi Via Stakeholders,

The rate study is well underway for the Developmental Disabilities (DD), Mi Via (MV), and Medically Fragile (MF) Waiver services. Providers have received the cost report, and time study tools to prepare for completing them. These tools did not include Mi Via services, except for Consultant services. This is because in current policy, Mi Via rate ranges are based on what Medicaid currently pays for similar services under the Developmental Disabilities (DD) Waiver. Based on this policy, PCG's recommended rate ranges for the Mi Via services in the scope of this rate study will be a range-based on the rate for the comparable DD Waiver services.

To help inform our recommendations for Mi Via rate ranges, PCG and DDSDD would like to collect feedback from Mi Via employees and vendors on service delivery for the services in the scope of this study; Community Direct Support, In Home Living Supports, Homemaker/Direct Supports, Speech/Language Pathology, Customized Community Group Supports, Physical Therapy, Occupational Therapy, Behavior Support Consultant, Private Duty Nursing (adults RN), Respite and Employer of Record. To complete the Mi Via Survey, now through April 7, 2023, please click on the link: [Qualtrics Survey | Mi Via Survey](#).

As always, if you have any questions or comments, please contact the PCG team at the dedicated phone line for this project (833) 528-1736 or by email at NMHCBSRateStudy@pcgus.com.

Thank you,

Evangeline "Vangie" Yañez
