

Technology First Spotlight Series

The next technology spotlight event from New Mexico's Developmental Disability and Supports Division is being held on February 7, 2024. The January Technology Spotlight series will begin with a technology service example from the Technology Task Force. The Task Force will also reveal a new Technology Resource Page on the DDSD website. Finally, we will be joined with a team from Electronic Caregiver a technology demonstration.

Please join us to learn about what is possible through a Technology First approach to service and support.

Why should I Attend?

- Learn about the outcomes created with enabling technology in an example service setting.
- See the reveal of the new technology resource website.
- Participate a live demonstration from technology vendor, Electronic Caregiver.
- Discover other technology resources available from DDSD.
- Engage with other members of the New Mexico disability community on technology first approaches .
