<p>2) What is your agency's system to track and ensure timelines are met for the following eligibility requirements?</p> <p>a. Initial Eligibility b. Medical eligibility and annual recertification c. Financial eligibility and annual recertification</p> <p><i>Surveyor Instruction: Consultant services and supports are delivered in accordance with the participant's identified needs. Based upon those needs the is required to have a system in place that covers the above listed areas during Pre-Eligibility and On-going Consultation (Mi Via Standards Appendix A – Pre and On-going Eligibility). You are to ensure there is a system in place and each area is addressed. The Consultant may refer to the agency's written processes, other documents or show examples of how this is tracked. This cannot be met if the consultant cannot describe the process.</i></p>	<p>Tag #MV1A22</p> <p>[a. b. c.]</p>			
<p>3) What is your agency's system to ensure timelines are met for annual budget submission?</p> <p><i>Surveyor Instruction: Each Consultant Agency shall have an established system for tracking key steps and timelines in for budget submission. At a minimum, the SSP / Budget must be reviewed, revised, if needed, updated and approved annually, prior to the expiration of the existing SSP / budget. The Consultant may refer to the agency's processes or other documents. For this to be met the Consultant must describe the agency's process to ensure timelines are met. This cannot be met if they cannot describe the process or does not know where to reference the process.</i></p>	<p>Tag #MV1A22</p> <p>[]</p>			
<p>4) How do you monitor the health and safety needs of a participant?</p> <p><i>Surveyor Instruction: The Consultant is responsible for monitoring by conducting monthly face to face visits, reviewing documentation, emails, etc. The consultant must monitor to ensure health and safety needs are being addressed appropriately. For this to be met the Consultant must be able to discuss how the health and safety needs of the participant are being monitored.</i></p>	<p>Tag #MV1A22</p> <p>[]</p>
