New Mexico State Veterans' Home What to Bring on Admission

The following items may be brought with you when reporting for admission to the New Mexico State Veterans Home.

The quantities listed below for the various items should be considered the maximum recommendation to bring with you to the Home. We provide a bedside table, Armoire, over the bed table and sitting chair and a small closet 78"x16"x22"deep including 8" drawer on bottom, each vanity has four drawers for each resident.

All electrical items including electronics must be safety inspected by our maintenance department. If approved, the items will be delivered to the resident room. If deemed unsafe, electronic item will be sent back with family or disposed of.

Upon admission all clothing and blankets received at the facility will be delivered to Admission Office and will be placed in a dryer before delivered to resident room.

New items brought to the facility should be delivered to Lead Aide or House RN. Because of limited space, when new items are brought in to the facility the same quantity of old items will be exchanged back to the family or donated. If the preference of the resident/family is to keep the old items, new items can be sent back to family or donated. Excess items will be disposed of after 30 days.
