The review committee must be assured you will not abuse, neglect or exploit someone in your care again in order to remove your name from the registry. Explain how you have been rehabilitated following placement on the Registry so you can now safely care for others. Your explanation must demonstrate “Good Cause” why your name should be removed from the Registry. Show/explain to the review committee how you or your circumstances have changed. Provide any information you want the review committee to consider. You can include: how the circumstances that got you on the registry have changed; restitution you have made; any support groups you have attended; positive changes in your life; examples of your good character or reputation; anything else that shows you can be trusted to safely provide care to others again. Use extra pages if necessary. Attach any evidence you have to support your statements including **letters of reference from others.**

Explanation:

I hereby certify that I have provided truthful and complete information in this application including all attached pages.
