

Students with Prescription Medications at School Assist Tool

Note: Count the number of students in each category for which prescription medications are kept at school at any time during the school year. If a student has 3 different medications at different times or 2 medications all the time and another medication for a brief time, count each medication under the appropriate category.

Prescription Medication	# Students	Prescription Medication	# Students
ADD/ADHA Meds		ENT Meds	
Allergy Meds		Glucagon	
Asthma Meds		Insulin	
Analgesics		Migraine Meds	
Antibiotics		Oral Diabetes Meds
