**Surveyor Instruction:** *During your visit with the Individual observe the Individual's behavior and actions and document what is seen and heard. These questions are intended to determine the Individuals satisfaction with services and if they have the equipment (AT / AE) needed. If the Individual identifies an area which is not met, you must document why and follow-up with appropriate parties to determine if issue is being addressed or if anyone is aware of issue. Will be a deficiency if it has been identified, but not being addressed.*
