4. SELF-RECOMMENDATION

We know that patients often need health care providers to better understand them as a whole person. This is particularly important among those living in rural areas of New Mexico needing to receive care.

Please describe your desire and commitment to serve as a health care professional in a rural area of New Mexico. Please also describe an experience in which you have contributed to the well-being of a rural, underserved community and the impact/result of your contribution.

Your essay will allow the NMHSC to fully evaluate your application. **NOTE: 500-word count maximum.**

5. REFERENCES

List the names of three (3) references who are not related to you and who can evaluate your academic and/or professional ability and/or interest in working in rural areas.
