New Mexico Department of Health (DOH) posts statewide guidance for the control and prevention of COVID-19

September 1, 2020

The New Mexico Department of Health (NMDOH) has published a 21-page overview document providing guidance on COVID-19, [Policies for the Prevention and Control of COVID-19 in New Mexico](#). The guidance is intended to serve as a resource for the public, healthcare providers, and employers for general COVID-19 information as well as policies for response and control of the virus. The document will be updated as new information becomes available and posted on the [New Mexico Department of Health COVID-19 website](#). Current Executive and Public Health Orders still apply and can be found here: <https://cv.nmhealth.org/public-health-orders-and-executive-orders/>.
