PATIENT HANDBOOK

Welcome to Turquoise Lodge Hospital!

Our professional staff is dedicated to providing you with clinical support and education to help you develop a sober and healthy lifestyle free from mood altering chemicals. Your treatment team is here to help you, and we hope that your stay at Turquoise Lodge Hospital (TLH) will be a positive and rewarding experience.

TURQUOISE LODGE HOSPITAL MISSION STATEMENT

We strive to provide the opportunity for those struggling with substance use to begin healing in a safe environment with compassion and kindness.

NEW MEXICO DEPARTMENT OF HEALTH MISSION STATEMENT

The mission of the New Mexico Department of Health (NMDOH) is to promote health and wellness, improve health outcomes, and assure safety net services for all people in New Mexico.

CONFIDENTIALITY POLICY

Federal and state law protect information regarding your treatment at TLH. Your information will not be released unless you specifically authorize it by completing a valid release of information form (ROI). Other than information you specifically authorize for release, only information that is mandated by a valid court order or to report alleged abuse, neglect or exploitation can legally be released. TLH may also disclose your information in cases of medical emergency or to report crimes that occur on the premises or against staff. You will be asked to complete a valid authorization to allow staff to release or obtain information for you. You have the right to revoke an ROI at any time during or after your treatment stay.

PATIENT FEEDBACK

Patient satisfaction is of great concern to us. You may ask questions, offer suggestions or share concerns or complaints at any time throughout your stay. We welcome your feedback. Compliments or Concerns Stations are located in the Group Rooms on each patient unit. Drop the TLH Compliments or Concerns card in the box provided or give the card to any staff member. Cards are picked up and reviewed on regular business days (M-F).

If you have a complaint or formal grievance regarding your care, suspected abuse, neglect or patient harm, or questions related to hospital compliance with state or federal rules or regulations, please discuss your concern with a staff member. If your concern is not resolved you have a right to have the hospital review it. You may request a complaint form, or write your complaint on a compliment/concern card and place it in the Compliment or Concern station. You may write your complaint anonymously or identify yourself. You may request that staff assist you in writing your complaint, or you or your representative may make a

verbal complaint to a staff person. If you have identified yourself, you may be interviewed regarding your complaint, and you will be notified of status or determination in writing within 10 days of our receipt of your complaint.

In the case of suspected abuse, neglect, or exploitation, you may choose to contact the NMDOH Division of Health Improvement to make a report. You can write DHI, PO Box 26110 Santa Fe, NM 87505, or the toll free number is 1-800- 752-8649. Appropriate state or local authorities will be contacted.

PATIENT SATISFACTION

Prior to your discharge, please complete the Patient Satisfaction Survey that was provided in your admission packet. Soon you will be able to complete a satisfaction survey electronically in the hospital reception area – please ask staff if this service is available. We welcome your comments, as they assist us in improving our systems and improving the quality of care at TLH.

FACILITY RULES & PROGRAM INFORMATION

PATIENT ROOMS

You and your roommate are responsible for keeping your bedroom in order. You must clean up your bedroom by making your bed, removing all products from the shower, cleaning your sink, putting your clothes away, straightening up your nightstand and removing everything from the floor. If there are maintenance issues in your room, please notify a staff member.

- Use only the bed assigned to you.
- At no time are you to be in another person's room.
- Respect the privacy of others.
- You are not allowed to have food in your room.
- Staff will conduct random room searches to look for contraband.
- Staff conduct patient rounds 24 hours a day.
- Defacing of any hospital property is grounds for immediate discharge and you may be charged with destruction of property as allowed under the law.

MEDICATION/DRUGS

- The use by patients, staff or visitors of non-physician prescribed drugs or alcohol on premises is **STRICTLY PROHIBITED**.
- If you are suspected of being under the influence of drugs not prescribed by TLH medical staff, you may be required to take a urine drug screen as ordered by the Medical staff. Positive results will be dealt with on an individual basis and may result in discharge.
- If you are found importing drugs, including medications, or alcohol into TLH for personal use or for distribution to other patients, this will be treated as a violation of rules, you will be discharged for this offense as it endangers others as well as yourself. Law enforcement may be notified as applicable.

- No medications will be administered unless prescribed or approved by our Medical staff.
- When you are given a medication by a nurse, you are expected to take it immediately. You are NEVER to give the medication to another patient or to save it for your own later use.

PERSONAL BELONGINGS (including Money and Valuables)

It is highly recommended that you leave all valuables, money, and sentimental items at home. All items on the approved personal belongings list will be inventoried and will be accessible to you during your treatment stay. Non-approved items will be locked in a secure area and returned to you upon discharge. We assume no liability for the loss of items stored on your behalf or items kept in your patient room. NOTE: Patient belongings left at TLH will be disposed of after 30 days.

If you are in need of additional items from the approved personal belongings list, drop-off times are:

Mondays and Wednesdays from 8:30 a.m. - 5:30 p.m.
 Fridays from 8:30 a.m. - 4:30 p.m.

Some personal hygiene products are stored and distributed by staff during hygiene times. These items are available upon request but are distributed only at the times posted. These items must be returned at the end of the posted hygiene times.

TOBACCO/SMOKING

Patients who use tobacco are allowed its use four times during the day during designated smoke breaks. Nicotine replacement therapy is available during your stay. We do not allow lending or borrowing of tobacco products. Speak with your medical provider regarding your desire to quit smoking.

TRANSPORTATION

Patients should not bring personal vehicles to TLH and should arrange for their own transportation to and from TLH.

DAILY SCHEDULE OF RECOVERY ORIENTED ACTIVITIES

6:00 a.m.	Wake Up
8:00 a.m. - 8:30 p.m.	Classes and groups
10:00 p.m.	Bedtime

MEALS

- You will be provided well-balanced meals at regular times during your stay.
- Nutritious snacks are available.
- A dietician is available as part of your treatment.

RECREATIONAL OPPORTUNITIES

Many health benefits are associated with physical fitness. Recreational activities are an important part of your treatment. They may include activities such as walks, yoga, horseshoes, and other structured recreational activities available during your stay.

PASSES

Passes are granted through careful consideration by the Treatment Team for issues involving medical care, coordination of continued services after discharge, or extenuating circumstances. Patients may be transported by qualified staff to necessary medical appointments. When returning from a pass, your belongings and person will be searched and you may be required to provide a urine sample for a drug screen.

PEER EXPECTATIONS

All TLH patients are members of our peer Community. Peer support can make a difference in your life and the lives of others. As you gain confidence in the recovery skills you are learning, encourage newer patients to choose a life free from alcohol and drugs. Our Community Unity philosophy encourages Interpersonal Safety, Emotional Safety, Safety of Environment, and Physical Safety.
