

# Downloading Zoom to Your Apple Phone

# Downloading Zoom - Apple

Go to the Apple App Store on your phone

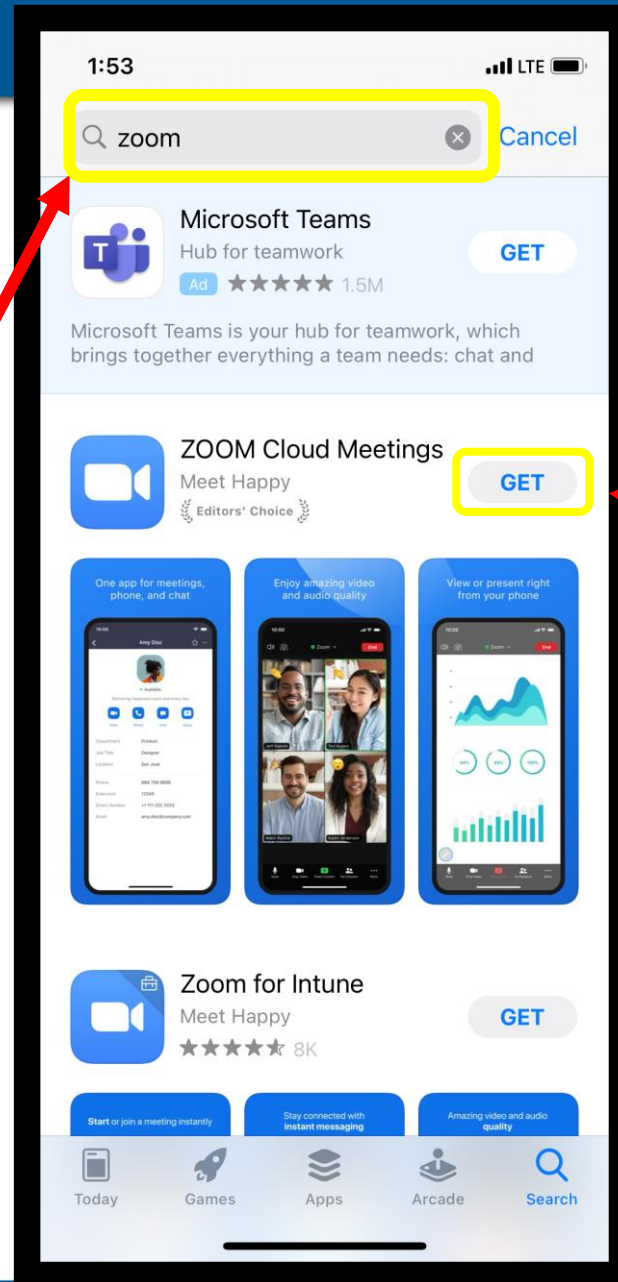

Touch Search

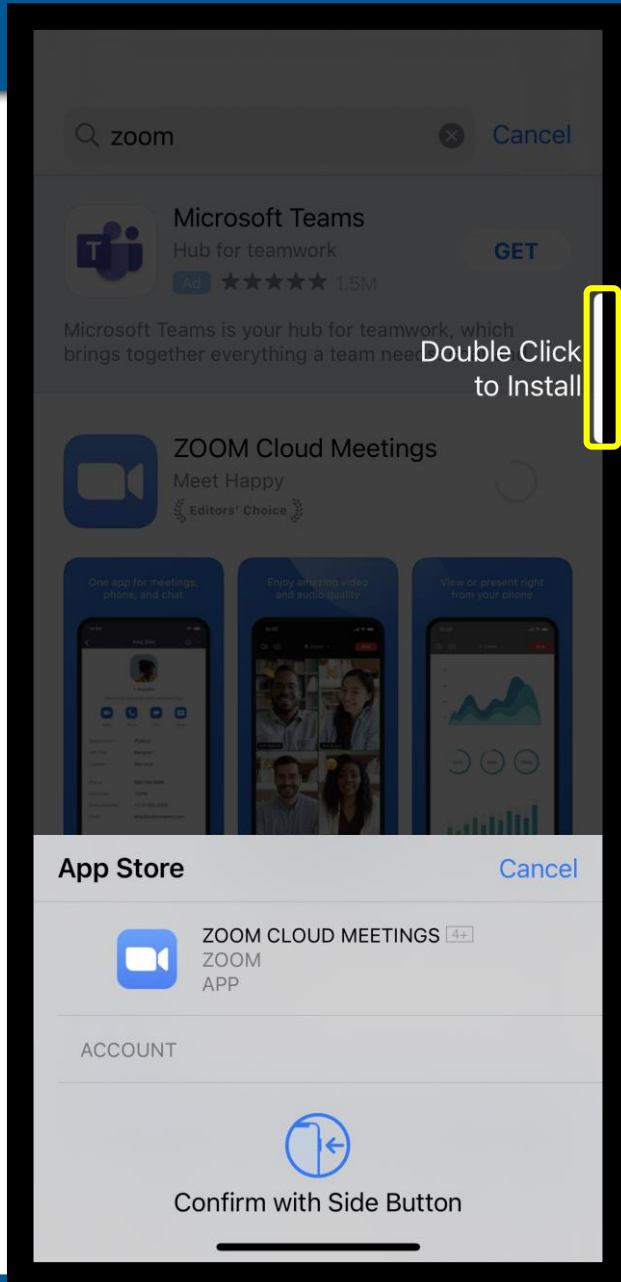

# Downloading Zoom - Apple

Type Zoom in the search bar

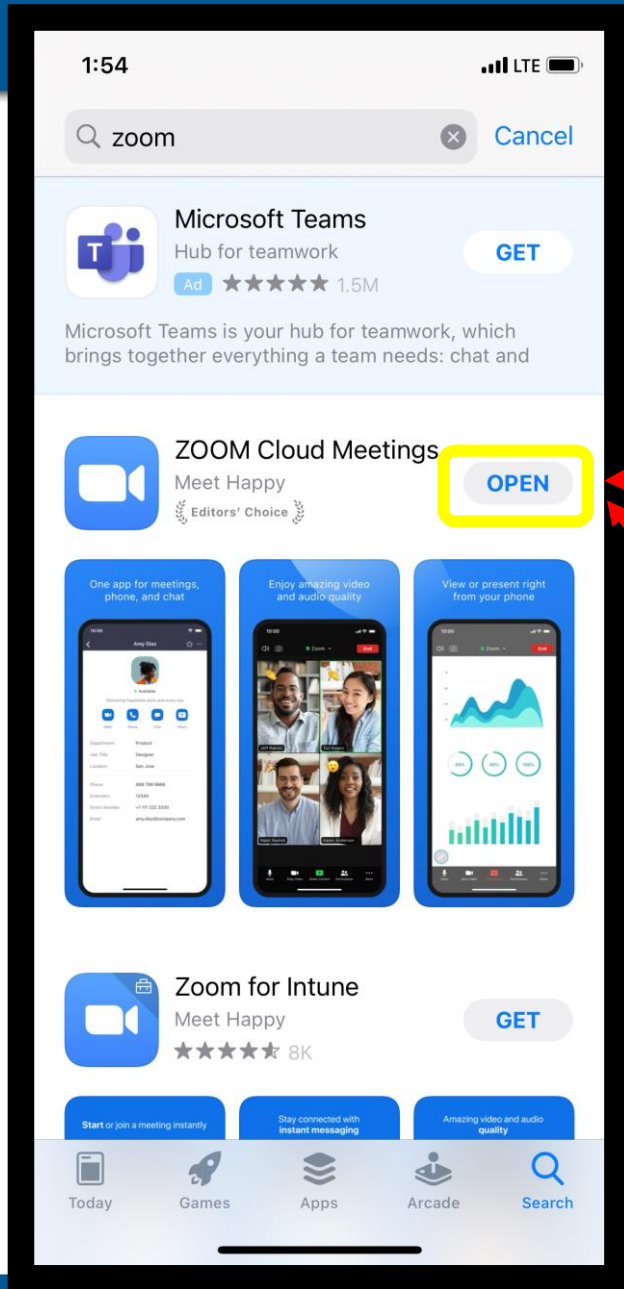

After Zoom comes up,  
touch GET

Double Click  
to Install

Click the button on the side  
of your phone two times to  
install Zoom

After it is done downloading it will look like this and it will say OPEN

Touch OPEN and the Zoom app will open

# Downloading Zoom - Apple

Your screen should look something like this

You now have the Zoom app downloaded to your phone
