

## *NMDOH Mission*

The mission of the State of New Mexico, Department of Health is to promote health and wellness, improve health outcomes, and assure safety net services for all people in New Mexico

## *Our History*

*Turquoise Lodge Hospital (TLH) was founded in 1952, serving adult patients with alcohol addiction. In 2007, the hospital moved after 54 years from its Southwest valley location to its current Albuquerque location, serving adults with alcohol and drug addictions.*

## *Turquoise Lodge Mission*

**We strive to provide the opportunity for those struggling with substance use to begin healing in a safe environment with compassion and kindness.**

## OUR PROGRAMS

**Adult Detox** - *Our Clinical Team consists of professionally licensed Medical Psychiatric, Pharmacy, Nursing and Counseling staff. Our Professional staff has training and education in the field of addictions. Medical and Nursing care is provided twenty-four hours per day, seven days a week. The average length of stay depends on the individual. A medical detox typically lasts 3-6 days.*

**Adult Rehab** – *If you do not require detoxification, but have been unsuccessful in managing substance use relapse within an outpatient program, you can submit a Request for Treatment for our social rehabilitation program. This program is designed to provide you with education, training and resources so that when you return to your community you will have a plan to remain substance free. The Social rehab program is about 21 days long.*

## OUR COMMITMENTS

*Our commitments to you during your hospitalization is to:*

- *Provide you with a safe and protective environment*
- *Help you to resolve your acute symptoms*
- *Encourage your participation in a program with community of peers*
- *Assist you to develop recovery skills in your continued effort to grow as an individual and to live your life substance free*

### **Safety and Quality of Care**
