Mission Statement

Fort Bayard State Veterans Home rises to health care challenges by striving to be a leader in our community and providing a wellness way of life with quality, efficiency, compassion, and empathy for the residents entrusted to our care.

Mission

To foster healing and health for the residents and community we serve. Excellence in the provision of health care services to our residents and their families and the community we serve.

Vision

Fort Bayard State Veterans Home will be known for:

- Care so coordinated and welcoming that residents feel "they know me here."
- Compassionate competent and dependable care that earns the community's trust.
- Passion for improving the delivery of care and services to our residents & their families.
- Concern for the health of our community, especially the under-served
- Responsible use of our resources.

Fort Bayard State Veterans Home provides care for people who have a medical need and who can no longer provide care for themselves and is available to any honorably discharged Veteran, Veteran Spouse and Gold Star Parents.

FBSVH also offers skilled care which is provided to people who need rehabilitative services or a higher degree of medical care.

In addition to full nursing care, and in-house physicians Fort Bayard State Veterans Home also offers Social Services, Therapeutic Activity, Physical/Occupational/Speech Language Pathology, and Restorative Nursing, X-ray, Laboratory Services, Pharmacy, and Transportation Services.
