LOS LUNAS COMMUNITY PROGRAM (LLCP)

MISSION

It is the mission of Los Lunas Community Program (LLCP) to promote a person-centered philosophy and provide ethical, effective, and efficient services and supports that assist those we serve to live the life they choose, establish meaningful relationships, foster opportunities for personal growth, and maintain healthy lifestyles.

COMMUNITY PROVIDER

As a New Mexico Department of Health facility, LLCP is a Home and Community-Based Medicaid Waiver provider for New Mexicans with intellectual and developmental disabilities (IDD). We offer a variety of services including: Supported Living, Customized Community Supports, Community Integrated Employment, Nursing, and Crisis services in Valencia County.

We also operate an Intermediate Care Facility (ICF) for persons with IDD who require a structured behavioral treatment program.

SUPPORTED LIVING

In the community of their choice, LLCP assists our clients to live as independently as possible providing supports designed to assist, encourage, and empower them to grow and develop, gain autonomy, become self-governing and pursue personal interests and goals.

CUSTOMIZED COMMUNITY SUPPORTS

Based on the preferences and choices of our clients, LLCP assists adults with IDD to increase their independence, lessen the need for paid supports, establish or strengthen interpersonal relationships, join social networks, and participate in community life.

COMMUNITY INTEGRATED EMPLOYMENT

Based on the informed choice of our clients, LLCP assists adults with IDD to become employed in the community in jobs that increase their economic independence, self-reliance, social connections and career development.

LLCP is committed to linking persons served to the community at large and building community around promoting diversity and inclusion. Living a full and satisfied life involves sustaining connections with people, developing friendships, engaging with neighbors, and sharing with them all that community life has to offer.
