2:38 PM	<ul style="list-style-type: none"> • Curricular and Admission changes reviewed. <p>Aside: Discussion on Pearson Vue testing sites-Is there a correlation between distance to test site and number of students who test?</p> <ul style="list-style-type: none"> • EMR Lesson Plans-Sent to Jessica • Plan for addressing the other findings of site visit <ul style="list-style-type: none"> ▪ Expanded Course offerings- RFD, Artesia and NMJC ▪ Refreshers-Full plan with CWCD to bring non-credit, off-campus courses to offer to surrounding area ▪ Maintaining excellence ▪ Curriculum changes-In progress • SJCC: <ul style="list-style-type: none"> • Annual Report Reviewed- Numbers and variance addressed • Program Changes <p>Aside: Discussion on distance paramedic program-what works, what does not. Aside: Discussion-How do programs handle EMT-Basic for degree requirements, credit vs. certificate. Aside: Collective question posed to the schools: Are we meeting the needs of Licensed EMTs in New Mexico?</p>	
2:49 PM	<ul style="list-style-type: none"> • Discussion on rewards vs challenge; many services do not have enough providers, volunteer population is aging, how do we motivate people to want to get up for free to go run a call at 2 am? • Discussion on who should pay for the medics in volunteer areas, would that increase providers? • Sunpath is working on a hybrid program, how will this affect the issue? <ul style="list-style-type: none"> ○ Discussion on internet and getting students to travel to education site, is the education going to be as high quality? How can we improve getting instructors to the rural areas? • Discussion on barriers to licensing. • Discussion on Certificate vs College Credit • Discussion on retention, burn out, and raising the ceiling for EMS careers <p>Challenge posed by Sahaj: Go to the next EMS Day at the Roundhouse, we need to go lobby for EMS.</p>	Diane Stahl
	<p>Add-ons to the agenda:</p> <ul style="list-style-type: none"> • Address new NR testing for Paramedics-Karen and Joyce <ul style="list-style-type: none"> ○ What is the expectation with the new testing process? <ul style="list-style-type: none"> ▪ NR feedback has been positive- Summative over formative evaluations. (Formative is for the portfolio, summative is for the new testing) ▪ Biggest change is the out of hospital scenarios <ul style="list-style-type: none"> • Lasts 20 minutes ▪ Suggestion is to have someone refilling supplies or have two sets to save time.
