survey monkey	The explanation of the layout of the chapters. The Advocates' Statement. And the references. It says for draft purposes only, but I hope they will be included in the final version	The document will contain a list of authorities, an index for references, and the Advocates' Statement.
survey monkey	succinct	Thank you.
survey monkey	I see there will be a list of references. It might be easier to keep each list with each chapter.	The document will contain a list of authorities and an index for references.
survey monkey	Need consistent terms/language. Chapter contents at the beginning are helpful.	Thank you.
survey monkey	DDS has not send letters to clients and guardians to inform them to provide input in the changes in the standards. HSD did this in the Mi Via changes. Also how are people on the waiting list being informed	Formal public input is required for waiver renewal and amendments, not issuing service standards. The service standards are not proposing changes to the approved waiver. Drafts have been e-blasted and posted with supplemental Feedback Forums scheduled.
survey monkey	The introduction mentions the federal law but fails to mention the state laws regarding the DD waiver including those that have specific requirements regarding public input for changes in the waiver.	Formal public input is required for waiver renewal and amendments, not issuing service standards. The service standards are not proposing changes to the approved waiver. Drafts have been e-blasted and posted with supplemental Feedback Forums scheduled.
