

Developmental Disabilities Supports Division 2019 Supports Waiver Town Hall Meeting Schedule

DDSD has scheduled a series of meetings across the state to provide information and receive comment on the proposed Home and Community Based Services (HCBS) Medicaid Supports Waiver. Supports Waivers are designed to complement unpaid supports that are provided to individuals by family and other natural supports. Funding allotments in Supports Waivers are typically lower than those of a Comprehensive Waiver (traditional DD Waiver).

The target date for implementation of the Supports Waiver is July 1, 2020. The following locations and times are opportunities for you to hear a presentation from DDSD and to provide comments and feedback on the Supports Waiver.

Please note that each session across all Regions will contain the same presentation so it is not necessary to attend more than one session.
