

Notice of Public Health and Safety Advisory Committee Public Meeting

The New Mexico Department of Health will be holding the first Public Health and Safety Advisory Committee meeting on Tuesday, February 22, 2022, from 10:00AM to 11:30AM. The meeting will be held through a web-based platform. Attendees will be able to join the event through the internet or by phone. Instructions on how to access this meeting and the agenda will be posted to the following website: www.nmhealth.org/go/mcp at least 72-hours prior to the scheduled meeting.

This meeting is conducted so the Public Health and Safety Advisory Committee may discuss emerging scientific and medical information relevant to the health effects associated with the use of cannabis products. Upon reviewing this data, the Public Health and Safety Advisory Committee will publish an annual report on the health effects of legalizing cannabis for adult use. The Committee will also report on additional health and safety issues relating to cannabis product use.

Agenda for February 22, 2022:

- Introduction
- Update from the Medical Cannabis Program
- Discussion of Research and Resources
- Other Items from Committee Members
- Schedule next meeting
