MeMinder

Task Prompting and Instructions For The People You Serve.

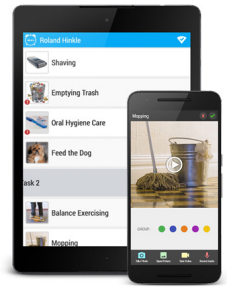
Benefits For Your Clients

- MeMinder gives individuals the **prompts and instruction** they need at the level they need it each day.
- Use of MeMinder affords individuals the opportunity to enjoy more unsupervised time, and **feel more confident at home and at work.**
- Individuals experience increased **intrinsic value of accomplishment**.
- With a variety of different instruction formats for each task, individuals are able to **fade from human supports to become more independent**.

LEARN MORE ABOUT HOW MEMINDER CAN SAVE YOUR ORGANIZATION TIME AND MONEY HERE:

MeMinder Features

MeMinder is an app that is used to help people with intellectual disabilities get the prompts and instruction they need for all of their daily to-do's.



All tasks can be customized to the level of instruction needed by the individual on any given day in:

Audio-only | Talking Pictures | Video Modeling

Other Features Include:

- Ability to run on any iOS or Android device
- Ability to create your own customized tasks
- Talk-to-text function for simplified task analysis
- Photo verification to ensure that a job is complete
- Outlook calendar scheduling
- Staff communication portal
- Task lists can be backed up and stored in the cloud for easy reinstallation

CREATEABILITY

Benefits For Support Staff

- Choose from **over 200 pre-created tasks** in the public library or create a private task repository for your organization.
- Create, name and **record custom tasks** for the unique needs of your clients!
- **Save time and money** by replacing antiquated methods of task analysis and instruction with technology.
- **Monitor** the progress and setbacks of many clients or employees in **real-time** - on a single dashboard.
- **Make changes to responsibilities** and send to client's device **in real-time**.
- **Multiple formats of instruction** allow clients to fade; reducing the need for human supports.
- Use MeMinder to **occupy unsupervised times** for individuals seeking more independence.
