

Technology First Spotlight Series

The next technology spotlight event from New Mexico's Developmental Disability and Supports Division is being held on March 6, 2024. The March Technology Spotlight series will begin with a spotlight on a person supported by technology in New Mexico from the Technology Task Force. Next, we will be joined by a team from AbleLink Smart Living Technology for a technology demonstration.

Please join us to learn about what is possible through a Technology First approach to service and support.

Why should I Attend?

- Learn about the outcomes created with enabling technology in an example service setting.
- Hear about a person supported by Enabling Technology in New Mexico
- Participate a live demonstration from technology vendor, AbleLink Smart Living Technology.
- Discover other technology resources available from DDSD.
- Engage with other members of the New Mexico disability community on technology first approaches .
