March 2017

To: New Mexico Public and Private School Superintendents, Charter School Administrators, School Principals, School Nurses, and Vaccines for Children (VFC) Providers

RE: New Mexico 2017-2018 School Entry Immunization Requirements

Each year the Vaccine Advisory Committee (VAC) meets to discuss New Mexico School Entry Immunization Requirements. Any changes are thoughtfully discussed and voted on by a group of appointed, experienced immunization professionals. These changes are based on Centers for Disease Control (CDC) and Advisory Committee on Immunization Practices (ACIP) annual recommendations.

The schedule continues to incorporate changes related to the grade phasing-in process for required vaccinations. Changes in immunization requirements for the 2017-2018 school year are otherwise minor and are highlighted in the column to the left.

Please remember there are several statutes and regulations which address the issue of NM students receiving required immunizations before school entry or enrollment.

- NMSA 1978, § 24-5-2 makes it unlawful for any student to enroll in school unless the student is immunized, or otherwise properly exempted.
- NMSA 1978, § 24-5-4, 7.5.2.8 NMAC and 6.12.2.8(F) NMAC authorize and require each school superintendent to prepare a record showing the immunization status of every child enrolled or attending a school under his or her jurisdiction.
- Additionally, 6.12.2.8 NMAC requires that schools start disenrollment proceedings for students who are unable to provide satisfactory evidence of commencement or completion of immunization or an exemption from immunization.
- Section 6.12.2.8 NMAC and NMSA 1978, § 24-5-4 also stipulate that parents or guardians who neglect or refuse to permit their child to be immunized against diseases as required by law shall be reported by the school superintendent to the director of the public health division.

Acceptable forms of proof of immunization status includes a NMSIIS printout, printout from provider’s Electronic Medical Record or immunization record card.

Thank you for keeping New Mexican children safe from vaccine-preventable diseases.

Sincerely,

Lynn Gallagher
Secretary Designate

Pursuant to the McKinney-Vento Homeless Assistant Act [42 USC § 11432(g)(3)(C)], children experiencing homelessness must be able to enroll in school immediately, even if they are unable to produce immunization records. If the child needs to obtain immunizations, or immunization records, the enrolling school must immediately refer the parent or guardian to the designated local educational agency (LEA) homeless education liaison for assistance.

**Notes:**
- All children must have a complete set of vaccines before entering school.
- Vaccines are required for all children entering school.
- Immunizations are required for entry into school.
- Failure to provide immunization records may result in exclusion from school.
