This contract is entered into between the New Mexico Department Of Health (DEPARTMENT) and __________ (CONTRACTOR).

ARTICLE 1. SCOPE OF WORK

The CONTRACTOR shall:

A. Provide contract brand infant formulas specified herein, through vendors authorized by the New Mexico Women, Infants and Children Program, in sufficient supply to service 100% of the WIC caseload; and remit to the DEPARTMENT a rebate for each unit of the CONTRACTOR’s contract brand infant formula as specified herein.

B. Rebate to the DEPARTMENT a price per unit of contract brand infant formula as specified in Attachment 1. Attachment 1 may be amended as necessary by written agreement of the parties at any time during the term of this contract.

The rebate amount per unit for the primary contract brand infant formula is the amount specified by the CONTRACTOR on the WIC Infant Formula Rebate Initiative Quote Sheet on March 23, 2018, identified as Attachment III to the DEPARTMENT’s WIC Infant Formula Rebate Initiative Request for Proposals, issued January 5, 2018, in conjunction with the North Carolina Department of Health and Human Services and the Arkansas Department of Health (Request for Proposals) incorporated as part of this contract. The rebate amounts per unit for the other contract brand infant formulas specified herein are calculated in accordance with Section III.A.7. of the Request for Proposals.

C. Payment

In order to comply with the requirements of (U.S.) Treasury Circular 1075 and the Cash Management Improvement Act, as amended, the three states WIC Programs
desire to receive rebate payments in installments. The CONTRACTOR shall remit payments as described below for each calendar month as indicated.

Payment is due within thirty (30) calendar days of receipt of the DEPARTMENT's invoice. Each invoice shall reflect the total units of the contract brand, physical form and size of infant formula redeemed during the preceding calendar month or upon receipt of completed data for the most recent month by the DEPARTMENT. In the event that any due date occurs on a Saturday, Sunday, or legal holiday, the rebate payment will be due on the last business day preceding the due date.

The DEPARTMENT reserves the right to implement the following alternative payment method. Each month the due date of the initial payment will be the fifteenth day of the month. The payment shall be no less than 50% of the total payment for the most recent closed out month for which data is available. The State(s) will submit an invoice to the successful offeror for the remaining rebate balance which will be based on the total number of contract brand, physical form and size of infant formula redeemed for that billing month. Payment by the successful offeror is due within thirty (30) calendar days of receipt of the State(s) invoice.

Payments will be made to the DEPARTMENT by Electronic Funds Transfer (EFT) or Automated Clearing House (ACH) wire transfer.

The CONTRACTOR shall make advance payment, if requested by any of the States. The requested advance payment may not exceed the number of units issued, by brand, physical form and size, less the number of units issued but not redeemed, for the most recent closed-out month for which data is available. A State may request a partial advance payment.

The CONTRACTOR agrees to pay interest penalties to the DEPARTMENT in the amount of 1 percent per month or any portion thereof calculated on the installment amount due or invoice total for any properly delivered invoice for which funds have not been transferred to the DEPARTMENT by the CONTRACTOR by the close of business on the due date for the payment. Late interest penalties will not be applicable by the DEPARTMENT or the DEPARTMENT's bank or data processing center that have been identified and validated prior to the due date of the invoice payment.

Advance payment is due upon receipt of the request and becomes delinquent after (20) calendar days. A late payment charge of one-half of one percent of per month accrued on a daily basis (6% annual percentage rate) shall be assessed on any advance payment request that has not been paid within twenty (20) calendar days of its receipt. Late payment penalties will begin on the twenty-first day.

The CONTRACTOR shall be entitled to a non-refundable discount of one-half of one percent, accrued on a daily basis (6 % annual percentage rate), for each month.
that payment is in advance of its original due date, with such discounts applies against the actual amount of advance payment made. Any amount in excess of actual rebates due to the DIVISION shall be deducted from the next payment due to the DIVISION.

Automatically increase rebates on a cent-for-cent basis for any one or all of the contract brand infant formulas listed herein that are subject to any price level increases in the CONTRACTOR’s lowest national wholesale price per unit for a full truckload. The price per unit rebate will increase effective the first day of the month in which the wholesale price per unit increased. The CONTRACTOR shall notify the DEPARTMENT in writing no less than 30 calendar days prior to any changes in wholesale prices. The notification shall include both the date and amount of the increase.

Automatically decrease rebates on a cent-for-cent basis for any one or all of the contract brand infant formulas listed herein, that are subject to any price level decreases in the CONTRACTOR’s lowest national wholesale price per unit for a full truckload. The price per unit rebate will decrease effective the first day of the month in which the wholesale price per unit decreased. The CONTRACTOR shall notify the DEPARTMENT in writing no less than 30 calendar days prior to any changes in wholesale prices. The notification shall include both the date and amount of the decrease.

Notwithstanding any other provisions of this contract, the CONTRACTOR shall pay a rebate yielding the same net price per reconstituted fluid ounce as the primary contract brand infant formula if the primary contract brand infant formula is replaced during the term of the contract, including, but not limited to, replacement by change in formulation or unit size. The lowest national wholesale price per unit for a full truckload of the replacement infant formula at the time the replacement formula is approved for issuance by the State will be used to calculate the rebate.

Agree that if a new contract brand infant formula introduced into the CONTRACTOR’s product line is approved for issuance by the DEPARTMENT or the DEPARTMENT decides to add more contract brand infant formulas to its approved list, the CONTRACTOR shall pay a rebate amount per unit for the additional infant formula calculated in accordance with Section III.A.7.c. of the Request for Proposals. The DEPARTMENT will notify the affected parties in the WIC community and bill the CONTRACTOR accordingly if and when that infant formula is issued.

The CONTRACTOR shall pay a rebate amount per unit calculated in accordance with Section III.A.7.b. of the Request for Proposals, except that the
lowest national wholesale price per unit for a full truckload at the time the infant formula is issued by the DEPARTMENT will be used to calculate the rebate.

The CONTRACTOR agrees to pay rebates to the DEPARTMENT on any redeemed units of primary contract brand infant formula and any other contract brand infant formulas approved for issuance by the DEPARTMENT that are issued with a food instrument having a "first date to use" on or between October 1, 2018 and September 30, 2021. The rebate amount applied to the redeemed units shall be the rebate amount as of the first day of the month of redemption, except as provided in Paragraph 1 (C) for an increase or decrease in wholesale price. Rebate payment shall be made even though the Contract may have expired at the time the units are redeemed and payment of the rebate is due. For validly redeemed food instruments after expiration of the Contract, the rebate amount applied to the redeemed units shall be the rebate amount effective on the last day of the contract term.

Agree not to withhold any rebate payments due the DEPARTMENT under any circumstances. Any adjustments owed the CONTRACTOR by the DEPARTMENT shall be made by the DEPARTMENT in subsequent invoices.

Accept reconciliation invoices from the DEPARTMENT every six (6) months during the contractual period and within ninety (90) days of the termination of the Contract to include unreported claims. Payment from the CONTRACTOR is due upon receipt of the invoice, and becomes delinquent after thirty (30) calendar days of receipt of the DEPARTMENT’s invoice. A late payment charge of 1 percent per month shall be assessed on past due amounts at the time the subsequent invoice is calculated.

Agree to timely notify the DEPARTMENT of any known or suspected deterioration, alteration, adulteration, damage, falsification, or tainting to any of the contract brand infant formulas provided through vendors authorized by the New Mexico Women, Infants and Children Program, as specified herein, if harmful to life or health, hazardous or do not comply with the regulations on manufacturing.
