## **A. PURPOSE OF THIS REQUEST FOR PROPOSALS**

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of Offeror(s) that will build and maintain prepared healthcare systems, advance the development and maturation of healthcare coalitions, strengthen regional coordination, and ensure the healthcare system can maintain operations and surge to provide acute medical care during all hazards and emergencies in coordination with the New Mexico Health Care Coalition (HCC) Regions. Funding is intended to assist the Offeror(s) to demonstrate measurable and sustainable progress toward achieving the public health and healthcare preparedness capabilities and other activities that promote safer and more resilient communities in New Mexico. The Department may enter into a contract with one or more Offeror(s) as a result of this RFP.

The Department of Health's Community Health Protection Division – Bureau of Health Emergency Management (BHEM) is looking to establish one contract (Emergency Response) with each Offeror(s) to maintain operational and administrative oversight of the four (4) NMHCC Preparedness Areas:

- (1) Preparedness Area 1 (Northern Region),
- (2) Preparedness Area 2 (Southwest Region),
- (3) Preparedness Area 3 (Southeast Region),
- (4) Preparedness Area 4 (Albuquerque Metro Region).

## **B. BACKGROUND INFORMATION**

The U.S. Department of Health and Human Services (DHHS), Administration for Strategic Preparedness and Response (ASPR), Hospital Preparedness Program (HPP) provides leadership and funding through cooperative agreements to states and territories, to improve surge capacity and enhance community and healthcare system preparedness for emergencies and disasters. The HPP builds and maintains prepared healthcare systems, advances the development and maturation of healthcare coalitions, strengthens regional coordination, and ensures the healthcare system can maintain operations and surge to provide acute medical care during all emergencies and disasters. A prepared healthcare system is capable of “responding” to events, based on risks, threats and vulnerabilities that are identified using a process that allows for input from multiple stakeholders and takes into accounts for a variety of data sources.

The Healthcare Preparedness Program of the Assistant Secretary for Preparedness and Response defines Health Care Coalition (HCC) as “a formal collaboration among healthcare organizations and public and private partners that is organized to prepare for, respond to, and recovery from and emergency, mass casualty or catastrophic event.”

The key components to a Regional HCC are:

- (1) Hospitals,
- (2) Emergency Management Services (EMS),
- (3) Emergency Management Organizations (EMO),

- Community Emergency Response Team (CERT) and Medical Reserve Corps (MRC),
- Dialysis Centers and regional Centers for Medicare and Medicaid Services funded end-stage renal disease networks,

- Schools and universities, including academic medical centers,
- Skilled nursing, nursing, and long-term care facilities,
- Support service providers,

The Offeror(s) under this RFP will support the preparedness planning efforts of the Department by identifying gaps in preparedness, determining specific priorities, developing plans for building, and sustaining health care preparedness capabilities, and implementing those plans, thereby establishing a more resilient and better prepared healthcare community. Services are to be fully accessible, well-suited to the unique needs of each HCC Region, and fully integrated into a comprehensive system of related all hazards preparedness activities.

### 4. Subcontractors/Consent

Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

## 5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **Agency personnel will not merge, collate, or assemble proposal materials.**

## 6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

## 7. Proposal Offer Firm

## 8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
  1. confidential financial information concerning the Offeror's organization; and
  2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7 NMSA 1978.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Section III.B.2.a, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

**IMPORTANT:** The price of products offered, or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection

subject to any continuing prohibition on the disclosure of proprietary or confidential information.

## **9. No Obligation**

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

## **10. Termination**

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

## **11. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

## **12. Legal Review**

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

## **13. Governing Law**

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

## **14. Basis for Proposal**

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

## **15. Contract Terms and Conditions**

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix B. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to

be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX B) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## **16. Offeror's Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

## **17. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

## **19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **20. Change in Contractor Representatives**

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

## **21. Notice of Penalties**

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **22. Agency Rights**

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

## **23. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

## **24. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency.

## **25. Confidentiality**

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

## **26. Electronic mail address required**

Credit Reports must be for the exact organization submitting the proposal. The Credit Report cannot be combined or consolidated with the information from any entity other than the company submitting the proposal. If Offeror's name on the proposal does not match the name on the credit report, it will not be accepted, and Offeror will be found non-responsive for the financial requirement of this proposal.

The mandatory elements of this Section are two-fold: Offeror must provide a credit score on one of the named reports AND the report provided in response to the RFP must demonstrate a D&B Credit Score Class (CSC) rating of 1 – 3 or an Experian Credit Ranking Score (CRS) rating of 26 – 100.

## **APPENDIX B**

### **DRAFT CONTRACT**

**The Agreement included in this Appendix B represents the contract the Agency intends to use to make an award. The State of New Mexico and the Agency reserve the right to modify the agreement prior to, or during, the award process, as necessary.**

# STATE OF NEW MEXICO

## (DEPARTMENT OF HEALTH)

PROFESSIONAL SERVICES CONTRACT # \_\_\_\_\_

THIS AGREEMENT is made and entered into by and between the State of New Mexico, DEPARTMENT OF HEALTH, hereinafter referred to as the “Agency,” and **NAME OF CONTRACTOR**, hereinafter referred to as the “Contractor,” and is effective as of the date set forth below upon which it is executed by the General Services Department/State Purchasing Division (GSD/SPD Contracts Review Bureau).

IT IS AGREED BETWEEN THE PARTIES:

**1. Scope of Work.**

The Contractor shall perform the work in Attachment A. Scope of Work is incorporated into this agreement as if fully set forth herein. Attachment A. Scope of Work governs Contractor’s production and delivery of the Deliverables to the Procuring Agency.

**2. Compensation.**

A. The Agency shall pay to the Contractor in full payment for services satisfactorily performed at the rate of \_\_\_\_\_ dollars (\$ \_\_\_\_\_) per hour (OR BASED UPON DELIVERABLES, MILESTONES, BUDGET, ETC.), such compensation not to exceed **(AMOUNT)**, excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Agreement totaling **(AMOUNT)** shall be paid by the Agency to the Contractor. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the Agency when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.**

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the GSD/SPD. All invoices **MUST BE** received by the Agency no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date **WILL NOT BE PAID.**

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the Agency finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and

outlining steps the Contractor may take to provide remedial action. Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

**3. Term.**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on **June 30, 2029** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

**4. Termination.**

A. Grounds. The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement.

B. Notice; Agency Opportunity to Cure.

1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Agency's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.

D. Termination Management. If this agreement is terminated pursuant to its provisions, or if the parties mutually agree to discontinue their contractual relationship, or upon expiration of the term of the AGREEMENT, immediately upon expiration or receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency, except as provided in part (4) of this paragraph, below; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. and 4) if providing health services or client support as part of the scope of work of this agreement, continue to provide essential services and supports to ensure the health and safety of individual clients as directed by the Agency during the period of termination management. This requirement is not avoided by an inadvertent expiration of term for the agreement. In this event the Agency may temporarily extend the term, enter into a new short-term agreement or otherwise enter into an agreement, consistent with the New Mexico Procurement Code until all transition of services are completed. As of the date of termination of this agreement, the Contractor shall furnish to the Agency: (a) a complete detailed inventory of nonexpendable Agency property or equipment provided to or purchased by the Contractor with agreement funds as defined in Article 31 (Property) of this agreement, and (b) a final closing of the financial records and books of accounts which were required to be kept by the Contractor under the provisions of this agreement regarding financial records. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

**5. Appropriations.**

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

**6. Status of Contractor.**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. **Assignment.**

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Agency.

8. **Subcontracting.**

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

9. **Release.**

Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. **Confidentiality.**

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

[If the Contractor is to provide health care services, add the following section]

[If the Contractor is to have access to PHI for purposes other than treatment, add the following provision]

If the Contractor may reasonably be expected to have access to Agency's Protected Health Information (PHI) and will perform business associate functions as defined by HIPAA, Contractor shall execute the HIPAA/HITECH Business Associate Agreement as a separately executed mandatory agreement which is hereby incorporated by reference into and made part of this agreement. Failure to execute the HIPAA/HITECH Business Associate Agreement when required by the Agency shall constitute grounds for termination of this agreement in accordance with Article 4 (Termination) of this agreement.

11. **Product of Service -- Copyright.**

A. All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement.
