This Order’s prohibition on non-essential surgical procedures is not meant to apply to: (a) the provision of emergency medical care or any actions necessary to provide treatment to patients with emergency or urgent medical needs; and (b) any surgery that if not performed would result in a serious condition of a patient worsening (e.g., removing a cancerous tumor or a surgery intended to manage an infection).

4. A person who willfully violates this Order may be subject to civil administrative penalties, including fines up to \$5,000 per violation, in addition to other civil or criminal penalties that may be available at law.

I FURTHER DIRECT as follows:

(1) This Order shall be broadly disseminated in English, Spanish and other appropriate languages to the citizens of the State of New Mexico.

(2) This Order declaring restrictions based upon the existence of a condition of public health importance shall not abrogate any disease-reporting requirements set forth in the New Mexico Public Health Act.

(3) This Order shall take effect on December 11, 2020 and remain in effect through January 4, 2021.

THIS ORDER supersedes any other previous orders, proclamations, or directives in conflict. This Order shall take effect immediately and shall remain in effect for the duration indicated in the Order unless otherwise rescinded.
