Re: Nonsubstantive Corrections to 7.4.3 NMAC

Dear Mr. Ortiz:

This letter is written to request that certain minor, nonsubstantive corrections be made to the New Mexico Department of Health’s rule 7.4.3 NMAC, “Control of Disease and Conditions of Public Health Significance”. The Department of Health’s Epidemiology and Response Division recently changed the telephone number for notifying the Department of diseases and conditions of public health significance in accordance with NMDOH rule 7.4.3 NMAC.

The Department of Health requests that all references to the old telephone number, (505) 827-0006, contained in the rule be changed to 1-833-796-8773. These references can be found in Section 7.4.3.13 NMAC at Subsections C and D(1), (2), (6), (7), (9)(b), and (12).

Thanks very much for your assistance with this matter.

Sincerely,

Christopher
Woodward
